### Non-Highway Vehicle Permit Application

The Non-Highway Vehicle Permit Applicant should complete the following form in its entirety prior to scheduling a time for inspection. Applicants and drivers should read local ordinance Chapter 77, Sec. 7707, regarding the Operation of Non-Highway Vehicles (Golf Carts, UTV's and ATV's) on Village Streets. It is the responsibility of the vehicle owner and operators to know and abide by all provisions of the ordinance. Upon completion, return this form to the Wauconda Police Department, 311 S. Main Street, Wauconda, IL 60084.

The following Operation Regulations are important for owners and operators:

- No person operating a non-highway vehicle shall make a direct crossing upon or across any highway under the jurisdiction of the State, interstate highway, or a controlled access highway of this State, e.g., Route 12, Route 176, and Bonner Road.
- Operation is only permitted on Village streets when the driver has a valid driver's license in his or her name issued by the Secretary of State.
- Shall yield the right of way to all pedestrians and vehicular traffic, which constitutes a hazard.
- Operation in compliance with the provision of the Illinois Vehicle Code.

No permit shall be granted unless the following conditions are met:

1. The non-highway vehicle must pass an inspection for all required equipment.
2. The applicant must provide evidence of insurance in compliance with the provisions of the Illinois Compiled Statutes regarding minimum liability insurance.
3. Applicants must possess a valid driver's license.

The applicant has received and read a copy of the Village of Wauconda Ordinance concerning the registration and operation of Non-Highway Vehicles and understands that the village may suspend or revoke a permit granted hereunder upon a finding that the holder thereof has violated any provisions of the Wauconda Village Ordinance governing Non-Highway Vehicles, or there is evidence that the permittee cannot safely operate a qualified vehicle on the designated roadway.

Any person operating the non-highway vehicle is subject to all laws of the Illinois Vehicle Code including Driving under the Influence of Alcohol or Drugs. The passenger capacity of the vehicle cannot be exceeded. Any person, who violates any provisions of Ordinance 77 of the Village Code, can be fined not more than a Class C Misdemeanor and be responsible for the Village of Wauconda's cost of prosecution including reasonable attorney's fees.

By signing this application, the applicant hereby releases the Village of Wauconda, its elected officials and its employees and agrees to indemnify and hold them harmless from any and all claims resulting from the operation of this non-highway vehicle on public streets.
